You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") made the following entry in this Cause:

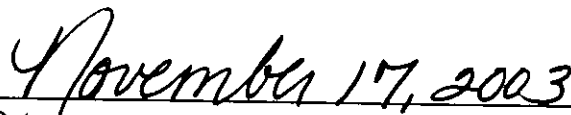

On November 5, 2003, the Petitioner PSI Energy, Inc., ("PSI" or "Petitioner") pursuant to 170 I.A.C. 1-1.1-4, Ind. Tr.R. 26(c), Ind. Code § 8-1-2-29, filed a *Motion for Protection of Confidential and Proprietary Information* ("Motion") in the above captioned Cause. In its Motion, the Petitioner requests that certain detailed cost estimates for PSI's NOx SIP Call compliance plan, as will be described in the Petitioner's prefiled testimony be treated as confidential and a trade secret. The Affidavit has been placed in the Commission's file in this Cause and is hereby incorporated by reference.

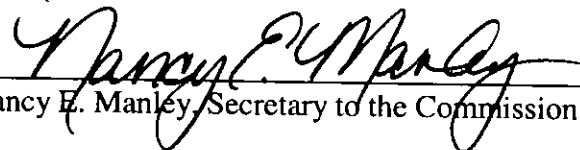

The Presiding Officers, having reviewed the information contained in the Petitioner's Motion and Affidavit, find that there is a sufficient basis for a preliminary finding that confidential procedures are appropriate and should be followed concerning the detailed cost estimates for PSI's NOx SIP Call compliance plan ("Confidential Material") to be submitted by the Petitioner. Accordingly, the Petitioner shall *hand deliver* to the Presiding Administrative Law Judge the

Confidential Material, under seal and marked as confidential, and such information shall be treated as confidential on a preliminary basis, in accordance with IC § 5-14-3-4. To the extent that the Confidential Material is contained in testimony to be submitted by the Petitioner, they shall file a public redacted version of the testimony with the Commission and submit an unredacted confidential version to the presiding Administrative Law Judge.
